

EXTRAVERT™

EXTRAVERT™

It's not a phone. It's my life. With me it's all about my friends, and this phone lets me keep them in the know. I'm a texting machine with the QWERTY keyboard, and the touchscreen makes it easy to scroll through all my stuff. Oh yeah, and updates to my Facebook®? Totally simple. When I gotta snap some pix of me and my buddies, I've got the camera right there. Oh, and when I'm bored I can always load some tunes then I'm G2G.

Tap In - Scrolling through my peoples for texting, finding tunes, whatever—a touch-screen's the way to roll.

Blast Off - Speed is power and I love to be able to text friends at warp speed on a sweet QWERTY keyboard.

Shoutout - Man, I have a lot going on in my life and sometimes I need to let people know quickly. With easy updates to my social networks? Boom. It's done. Just like that.

Snap Up - Dad talks about "photo ops," but my life is a photo op—and with this camera I'm ready.
